Thousands of musicians have united and inspired audiences in the spirit of Daniel Pearl who dedicated his life to connecting people through words and music. Danny, a *Wall Street Journal* correspondent, was kidnapped and murdered by militants in Pakistan in 2002, but his work bridging cultural gaps continues through the Daniel Pearl Foundation (www.danielpearl.org).

Participation in Daniel Pearl World Music Days is easy - sign up, register your event and artist profile at www.danielpearlmusicdays.org, then say a few words from the stage or in your written program in support of "Harmony for Humanity."

Daniel Pearl World Music Days is an awareness-raising program, not a fundraiser: There is no financial obligation to participate.
