

Freedom at the cost of a friend
Written by Nate Lathrop

Freedom at the cost of a friend
Freedom at the cost of a friend
He went in to fight but it did not turn out right
Freedom at the cost of a friend

Soldier by day Soldier by night
I told his wife he would be all right

Left behind his wife to lead a noble life
I told his kids he'd be alright

I told his wife he'd be alright
Freedom at the cost of a friend
